

25 February 2019

Dear Parent/Guardian,

These Easter holidays we are hosting a very special school holiday program called Code Camp where your child can learn to code and build their very own app!

Code Camp has already taught more than 30,000 students in Australia and is a great way to spend time over the holidays as kids have lots of fun with friends while learning important new skills such as logic, creativity, problem solving, app development and game building in a fun and engaging way, ready to take on the digital world of the future.

Every child attending a 3 day holiday camp will build incredible games on Code Camp's software platform "Code Camp World" and walk away with their very own app, playable via the Code Camp App store that they can take home to share with family and friends!

This Year we are hosting two Code Camps:

**Spark (School Grades 2 - 6)**  
**Beginners + Intermediate**

**3D Blast (School Grades 3 - 7)**  
**Advanced Students Only**

**Location:** R205 iThink Room, Mueller College

**Dates:** 15 - 17 April

**Drop-off:** 8.30am for a 9am start

**Pick-up:** 3.30pm - 4pm

For more information about each camp, visit [codecamp.com.au](http://codecamp.com.au) or contact Code Camp at [hello@codecamp.com.au](mailto:hello@codecamp.com.au).

**Early Bird Pricing starts on Wednesday 27th February and closes on Sunday 3rd March, secure your places now!**

Medical information for your child will be based on the existing data that we have recorded in the College database. Parents are encouraged to regularly check the online Parent Lounge and update medical details as required. If your child requires medication during these activities, please fill in the Student Medication request form that is found on the College website or collect from the front office.

Kind regards,

**Carmen Kritzinger**
